New charges against Radosław P.

Thanks to the cooperation between officers of the Central Anti-Corruption Bureau (CBA), the Warmian-Masurian Revenue Office in Olsztyn, and the National Prosecutor’s Office, the charges against Radosław P. were expanded as part of a wide-ranging investigation.

Joint Actions by the CBA, National Revenue Administration, and the National Prosecutor’s Office

Evidence gathered by officers from the CBA’s Regional Office in Warsaw and the Warmian-Masurian Revenue Office in Olsztyn, under the supervision of Investigation Team No. 4 of the National Prosecutor’s Office, was crucial to expanding the scope of the charges.

On November 6, 2026, the prosecutor presented the suspect with a new charge of abuse of power and failure to fulfil duties resulting in financial damage on a large scale (Article 296 § 3 of the Criminal Code in conjunction with Article 296 § 2 and Article 12 § 1 of the Criminal Code) .

Over 1 million zlotys in damages

The findings indicate that Radosław P., as chairman of the board of Polska Liga Koszykówki S.A., allegedly ordered the payment, using company funds, of invoices for private hotel and dining services in Poland and abroad, as well as international flights. These actions resulted in financial damage to the company exceeding 1 million zlotys.

Pre-trial detention extended

On November 24, 2026, the Regional Court in Warsaw, based on the evidence gathered in the case – including the findings forming the basis for the new charge –

granted the prosecution’s motion and extended the suspect’s pre-trial detention by another three months, until February 23, 2027.

The preparatory proceedings are ongoing. The CBA, in cooperation with the National Revenue Administration (KAS) and the National Prosecutor’s Office, is planning further proceedings.
