

Cooperation between MNiSW and CBA

An agreement on cooperation between the Minister of Science and the Head of the Central Anti-Corruption Bureau was signed at the Ministry of Science and Higher Education (MNiSW).

On the 27th of August 2024, a key agreement on cooperation between the Ministry of Science and Higher Education and the CBA was signed at the headquarters of the Ministry of Science and Higher Education. The agreement was signed by Minister of Science Dariusz Wiczorek and Deputy Head of CBA Dariusz Drozdowski. It concerns the exchange of information on higher education.

– Today's agreement is the beginning of cooperation, thanks to which we will be able to prevent irregularities even better and react faster to crimes. This is particularly relevant for higher education and science entities and in institutions supervised by the Ministry, pointed out Minister of Science Dariusz Wiczorek.

– Cooperation between the CBA and the Ministry of Science will raise the level of transparency in the area of the functioning of higher education and contribute to the realisation of our common goals, emphasised Deputy Head of the CBA Dariusz Drozdowski.

The signing of the agreement is an important step towards improving cooperation between the two parties, contributing to more effective anti-corruption activities.
