## Delegation from Romania in the headquarters of the CBA

---

On 3 September 2019 in the headquarters of the Central Anti-Corruption Bureau took place a visit of the delegation from Romania. It was composed of employees of Romanian local governments, including councillors of the District Council and legal advisors.

The aim of the meeting with the representatives of the CBA was to provide the Romanian party with hints and best practices on preventing and combating corruption, as well as to share experiences of both parties.

During the meeting, the representatives of the CBA have presented the tasks and competences of the Bureau, results of its activity, as well as introduced the most important cases, which the Bureau currently deals with. Issues related to system mechanisms for preventing corruption were also raised.
